Club benefits are for procedures which are indicated to treat diseased teeth, missing teeth due to disease and certain dental trauma not covered under other insurance. Elective/Cosmetic Dentistry is not part of Dental Club Membership. Procedures not listed will provided at 25% off our normal, UCR fees. Listed services are not a guaranteed that service will be performed on demand. All services are only provided on the order of your dentist. Discounts on specialty referrals may be available, but only as a courtesy to our members. Such discounts are not guaranteed and are extended at the sole discretion of the participating specialist.
